1. INFORMATION ABOUT YOUR POLICY

HOW THIS POLICY IS ISSUED

To help **You** understand how this **Policy** operates and the nature of the cover provided, we have set out below a brief explanation of the steps leading to the **Policy** being issued:

- Upon quote acceptance, we will instruct a **Surveyor**.
- If the **Surveyor** is satisfied that the **Home** meets our standards, they will issue a **Certificate of Approval** to us.
- In the event that works do not meet our standards, cover under Sections 3.1 – 3.2 will not be provided.
- In the event that the **Surveyor** is satisfied with the work, we will then issue **You** with a **Certificate of Insurance** confirming cover. Cover will be provided for the balance of the first ten years from the date of completion of the **Home** under Section 3.1 (Structural Insurance Period) and for the balance of the first five years from the date of completion of the **Home** under Section 3.2 (Machinery Inherent Defects).

PLEASE NOTE: the purpose of the **Surveyor**'s inspections is to enable us to issue the **Certificate of Insurance**. In undertaking the inspections and performing their role, the **Surveyor** is not assuming any duty or responsibility towards **You** to assure **You** that the work has been completed to any particular standard. In accepting the benefit of cover under this **Policy**, **You** accept and acknowledge that the **Surveyor** shall be under no liability to **You** for the way in which they conduct their inspections or perform their role. We will be under no liability to **You** for any acts or omissions of the **Surveyor**. The full extent of our liability to **You** is as set out in this **Policy**.

TYPES OF PROTECTION

We can provide **Policyholders** with protection in a number of ways. It should, however, be noted that all sections of the **Policy** may not necessarily be applicable for every **Home**. The **Development Initial Certificate** and **Certificate of Insurance** will detail the exact cover provided.

In order to illustrate the service which we provide, the following bullet points provide examples of the kinds of cover which a typical **Policy** *might* provide.

- Insuring the **Home** for up to a balance of ten years against:
 - the risk of **Major Damage** to the **Home**. See section 3.1 for details.
 - Insuring the **Mechanical And Electrical Services Equipment** at the **Home** for a period of five years commencing from the date specified in the **Certificate of Insurance**, against the risk of **Equipment Damage** as a result of an **Inherent Fault**. See section 3.2 for details.

It should be noted that the examples provided above are given for illustrative purposes only. Since each contract of insurance will differ according to individual requirements, the **Policyholder** should refer to the **Development Initial Certificate / Certificate of Insurance** and the **Policy** to ascertain the precise cover in force at any time.

It is important to note that the **Policy** does not provide cover for loss or damage which would ordinarily be covered under a standard buildings insurance policy, for example damage caused by fire, storm or flood amongst other things, whether or not **You** have in fact purchased such a policy. The **Policy** should not be viewed as a substitute for a standard buildings insurance policy and any claim for this type of loss or damage should be directed to your buildings insurer (if any).

THE QUALITY OF YOUR HOME

The **Home** insured under the **Policy** is subject to a system of checks and inspections:

- The **Home** has to comply with **Building Regulations** and the authorised Local Authority Building Control Body involved inspects their work. These **Building Regulations** are statutory requirements and are concerned mainly with health and safety, access for the disabled and conservation of fuel and power issues.
- **Surveyors** will have completed inspections before the **Certificate of Insurance** was issued. Such inspections are carried out solely for the purpose of satisfying the **Underwriter** that the **Home** represents a normal risk for insurance under **LABC Completed Housing Warranty**. It should not be inferred that the inspections are for any other purpose.
- The **Certificate of Insurance** will be issued to the **Policyholder** by the **Scheme Administrator** on behalf of the **Underwriter** provided that a **Certificate of Approval** has been issued by the **Surveyor** and subject to satisfaction of all **Policy** conditions. The **Certificate of Insurance** should be filed with the **Policy**.
- Any extensions in cover that we agree to will be confirmed in separate endorsements, which **You** should keep with the **Policy**.
- This **Policy** automatically transfers to future owners of the **Home** during the period of the **Policy**.

YOUR PRIVACY

We will store personal information about **You** safely and keep it confidential. If required by a court or government body, we may be required to pass on personal information. We may need to tell a subsequent owner(s) about claims an earlier owner has made, if it affects what a subsequent owner of the **Home** can claim under the **Policy**. For further details please refer to www.labcwarranty.co.uk/privacy-policy.

We will also pass on **Your** personal information to the **Underwriter** who may use **Your** personal information to make decisions about the cover we provide to **You**, any claims **You** make, or to detect and prevent fraud. The **Underwriter** also may record incoming and outgoing telephone calls with **You** for training, monitoring and quality control purposes.

For further details on how the **Underwriter** uses **Your** information and **Your** rights in relation to **Your** information, please see the **Underwriter's** Privacy Statement at <https://www.munichre.com/HSBEIL>.

YOUR RESPONSIBILITIES

If **You** are a consumer:

- **You** are responsible for answering any questions in relation to any proposal for insurance cover honestly and to the best of **Your** knowledge, providing complete and accurate information which the **Underwriter** will require. This also applies to **Your** responses in relation to any assumptions **You** may agree to in the process of applying for insurance cover. This is particularly important before taking out a policy but also if **You** make a mid-term amendment to **Your Policy**.
- Because of the way in which the **Policy** is arranged, the duration of these responsibilities is expressly extended so that they apply not only up to the point when any insurance quotation is accepted but also up to the point when the **Certificate of Insurance** is issued. If there is any change, prior to the issue of the **Certificate of Insurance**, which means that the information provided to the **Underwriter** in the process of applying for insurance cover is no longer accurate in any way, then **You** must correct the information provided and the **Underwriter** will have the right to amend or withdraw its offer to provide insurance.
- If **You** fail to answer all questions completely and accurately or to correct any information previously provided which later becomes inaccurate and this influences the **Underwriter's** decision to accept the risk or to issue the **Certificate of Insurance** or the terms offered, this could invalidate the **Policy** and mean that claims may not be paid.

If **You** are a commercial customer:

- **You** have a duty to give a fair presentation of risk to us. This means that **You** should disclose every material circumstance relevant to the risk being insured following a reasonable search within **Your** business to identify and verify such information. This should include information which **You** and where applicable **Your** senior management, persons responsible for arranging **Your** insurance or other relevant third parties know or ought to know and should include all information that would influence the judgement of the **Underwriter** or that would put the **Underwriter** on notice that it needs to make further enquiries.
- Because of the way in which the **Policy** is arranged, the duration of this duty is expressly extended so that it applies not only up to the point when any insurance quotation is accepted but also up to the point when the **Certificate of Insurance** is issued. If any information comes to light, prior to the issue of the **Certificate of Insurance** but after the acceptance of any insurance quotation, which would have fallen within the scope of **Your** initial duty of fair presentation had it come to light prior to acceptance of the insurance quotation, then **You** must make a fair presentation of this information to the **Underwriter** prior to the issue of the **Certificate of Insurance** and the **Underwriter** will have the right to amend or withdraw its offer to provide insurance.

Examples of material circumstances include but are not limited to:

- Special or unusual circumstances relating to the risk;
- Any particular concerns which led **You** to seek insurance cover for the risk; and
- Anything which those concerned with the class of insurance and field of activity in question would generally understand as being something that would be dealt with in a fair presentation of risks for this type of insurance.

The information must be presented in a way, which would be reasonably clear and accessible to a prudent insurer. If **You** are unsure whether to disclose any information **You** should speak to us. **You** need to take into account the size and complexity of **Your** business, and allow **You** sufficient time to consider and / or assess **Your** insurance requirements.

Failure to provide a 'fair representation' may result in a number of remedies by the **Underwriter**. If the breach was deliberate or reckless the **Underwriter** can void the contract and keep the premium. If the breach was not deliberate or reckless the **Underwriter** can void the contract, proportionately reduce a claim settlement or amend the insurance policy terms and conditions then review the merits of a claim on this basis.

You should therefore always provide complete and accurate information to us when we ask **You** about the insurance risks **Your** business faces before taking out a policy, at renewal and throughout the life of the **Policy**. This also applies to **Your** responses in relation to any assumptions **You** may agree to in the process of applying for insurance cover.

CANCELLATION PRIOR TO COVER BEING ISSUED

It is important to note that **You** are required to comply with a range of terms and conditions in order for cover to be issued under the **Policy** and that the **Underwriter** retains the right to cancel any offer to issue cover under the **Policy** where those terms and conditions are not complied with and such cover will only come into effect if and when a **Certificate of Insurance** is issued.

YOUR RIGHT TO CANCEL

You can cancel the **Policy** within 14 days of the day after **You** receive the **Certificate of Insurance**. In the event of cancellation after the **Certificate of Insurance** has been issued, **You** will not be entitled to a return of premium. Any refund can only be paid back to the person named as the quote recipient, the original **Policyholder** or their successors in title at the time of the refund.

Before cancelling the **Policy**, check with **Your** mortgage lender as **You** may need to have this cover (or equivalent cover) to get the mortgage. Also, if **You** want to sell the **Home** while the insurance is in force, the buyer (and their lender) will usually need this cover to be in place.

If **Your Home** includes **Common Parts**, **Your** cancellation will also apply to the cover for any amount **You** have to pay towards the cost of putting right any defect or **Major Damage** affecting the **Common Parts**.

HOW TO CANCEL

To cancel the **Policy**, send an email to customerservices@labcwarranty.co.uk or write to:

Scheme Administrator
MD Insurance Services Limited
2 Shore Lines Building
Shore Road
Birkenhead
Wirral
CH41 1AU.

Your letter or email must reach us within the 14-day period referred to above. **You** must return or destroy the **Certificate of Insurance**, if we have sent **You** one.

3.1.2. In the event of a valid claim being made under this section 3.1, the **Underwriter** will either (at its sole discretion):

- a) arrange to have such damage corrected;
- b) or pay the cost of repairing, replacing or rectifying any damage.

3.1.3 If the **Underwriter** elects to arrange to have such damage corrected then the maximum obligation of the **Underwriter** will be to have such damage corrected to the extent possible by applying the monies that would have been payable had this election not been made. The **Underwriter** will not have any obligation to apply any further monies beyond those that would have been payable had this election not been made even if, as a result of not applying such further monies, it is not possible to fully correct such damage.

3.1.4 If the **Underwriter** elects to pay the cost of repairing, replacing or rectifying any damage then:

- a) the **Underwriter** will have no obligation to bear any such cost unless and until the **Policyholder** has either actually paid the cost of repairing, replacing or rectifying any damage or demonstrated to the **Underwriter's** reasonable satisfaction that the **Policyholder** has a genuine, fixed and settled intention to incur such cost; and
- b) the **Policyholder** must commence, carry out and complete such repair, replacement or rectification without unreasonable delay.

3.1.5 Where the **Policyholder** fails to commence, carry out or complete the repair, replacement or rectification of the **Home** without unreasonable delay in accordance with section 3.1.4(b) above, the **Policyholder's** entitlement shall be limited to whichever is the lesser of:

2. For the avoidance of doubt, the **Financial Limits** under this section shall be applicable notwithstanding the fact that property within the same **Continuous Structure** may be employed for different uses (commercial, domestic or social for example) and have different owners. Once the cumulative maximum liability for the claims made in respect of any or all property located within the same **Continuous Structure** is reached, the **Underwriter** shall not be liable for any further claims in respect of any property located elsewhere within that same **Continuous Structure**, whomsoever made by.
3. The maximum the **Underwriter** will pay for any claim relating to **Common Parts** will be the proportion of the loss represented by the number of individual **Certificates of Insurance** issued to the **Policyholders** that share those **Common Parts**. The **Underwriter** is not responsible for the proportion of any loss where individual **Homes** have not received a **Certificate of Insurance**.
4. Unless stated otherwise in the **Certificate of Insurance**, the **Financial Limits** above are index-linked in accordance with the condition of the **Policy** in section 6 entitled '**Indexation**'.
5. Claims under this section are subject to the **Excess** as detailed in the **Certificate of Insurance**.

*Before the **Policy** was entered into:*

If the **Policyholder** has breached their duty to make a fair representation of the risk to the **Underwriter** before the **Policy** was entered into then where the breach was deliberate or reckless, the **Underwriter** may avoid this **Policy** and refuse all claims, and keep all premiums paid.

Where the breach was neither deliberate nor reckless, and but for the breach:

- a) The **Underwriter** would not have agreed to provide cover under this **Policy** on any terms, the **Underwriter** may avoid this **Policy** and refuse all claims, but will return any premiums paid, and / or
- b) The **Underwriter** would have agreed to provide cover under this **Policy** but on different terms (other than premium terms), the **Underwriter** may require that this **Policy** includes such different terms with effect from its commencement, and / or
- c) The **Underwriter** would have agreed to provide cover under this **Policy** but would have charged a higher premium,

the **Underwriter's** liability for any loss amount payable shall be limited to the proportion that the premium the **Underwriter** charged bears to the higher premium the **Underwriter** would have charged, as outlined in Schedule 1 to the Insurance Act 2015.

*Before a variation to the **Policy** was agreed*

If the **Policyholder** has breached the **Policyholder's** duty to make a fair representation of the risk to the **Underwriter** before any variation to this **Policy** was agreed, then where the breach was deliberate or reckless, the **Underwriter** may cancel this **Policy** with effect from the date of the variation, and keep all premiums paid.

This condition operates in addition to any provisions relating to underinsurance in this **Policy**.

8. RECOVERIES FROM THIRD PARTIES

The **Underwriter** is entitled to take action, at their own expense, to enforce any right **You** may have against a third party. In some situations it may be necessary to take action to protect a right of recovery against a third party before the **Underwriter** has had chance to consider **Your** claim and confirm coverage under this **Policy**. In such a situation it is a **Condition Precedent** that **You** cooperate with the **Underwriter** to take the steps required to protect the right of recovery. The **Underwriter** will be responsible for paying any costs or expenses of taking any such agreed steps. If cover for **Your** claim under the **Policy** is subsequently declined, **You** will then have the option of continuing with the recovery action against the third party, but **You** will have to pay any costs incurred after the **Underwriter** has notified **You** that **Your** claim under this **Policy** is not covered. The **Underwriter** will not seek repayment from **You** of any costs incurred prior to the claim under the **Policy** being declined.

9. REINSTATEMENT OF LIMIT OF INDEMNITY

Where any successful claim has been made under section 3 and which is met by the **Underwriter** for less than the **Limit of Indemnity** for the relevant section, such **Limit of Indemnity** shall (in accordance with the provisions of this **Policy**) be reduced to the extent such claim has been met by the **Underwriter**. In such circumstances, the **Policyholder** may request that the **Limit of Indemnity** be reinstated. The decision to reinstate any **Limit of Indemnity** shall be at the sole discretion of the **Underwriter** and shall in any event be subject to:

- a) payment by the **Policyholder** of any fee charged by the **Surveyor** for checking the design of the **Home** and inspecting any work for the repair or rebuilding of any **Home** which has been the subject of a claim under this **Policy**; and
- b) the **Surveyor** certifying that such repair or rebuilding work meets the **Underwriter's** required standards; and
- c) payment by the **Policyholder** of any additional premium required to be paid in respect of any such reinstatement, as notified by the **Underwriter**

If the **Underwriter** accepts **Your** request to reinstate the **Limit of Indemnity**, an endorsement to the **Policy** will be issued showing that the limit has been reinstated. If no such endorsement has been issued, then the **Limit of Indemnity** has not been reinstated regardless of any request **You** or a previous owner may have made .

For the avoidance of doubt, the **Policyholder** shall be required to pay the **Surveyor's** fee referred to above regardless of whether or not the **Limit of Indemnity** is reinstated.

10. TAX

Any claim we pay will not include VAT unless **You** cannot recover part or all of the VAT **You** have paid.

11. TERMINATION

This **Policy** will terminate automatically without refund of premium in the event that:

- a) the **Home** is destroyed by a cause other than that insured against in this **Policy**; or
- b) the **Underwriter** has paid the maximum amount for which it will be liable under the **Policy** in accordance with the **Limit of Indemnity** unless the **Limit of Indemnity** has been reinstated in line with the Reinstatement of **Limit of Indemnity** Condition.

The cover under this **Policy** will terminate automatically without refund of premium in the event that the **Underwriter** has paid the maximum amount for which it will be liable under the relevant section in accordance with the relevant **Limit of Indemnity**.

12. THIRD PARTY RIGHTS

A person who is not a party to this **Policy** has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this **Policy**, but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

13. UNDERWRITER'S RIGHTS

In the event of any occurrence which may give rise to a claim under this **Policy**, it is a **Condition Precedent** that the **Underwriter** and/or its agents (including the **Builder** and / or their subcontractors) shall, with the permission of the **Policyholder**, be entitled to enter the **Home** and be given all reasonable access in order to carry out rectification works or the complete or partial rebuilding of the **Home**. If such permission is unreasonably withheld by the **Policyholder** then the **Underwriter** may refuse to indemnify the claim under the **Policy** and/or the **Policyholder** shall be responsible for any additional costs caused by the delay in carrying out such works and the **Underwriter** has the sole option to terminate the **Policy** with immediate effect.
