New Homes: New build or converted private residential developments for sale. If as the developer you retain ownership of any property, cover does not apply during the period you own the property. Cover applies after you have sold the property to a third party. For full definition of policyholder please refer to the policy document.

Social Housing: Housing developed for social rent / shared ownership / affordable homes by Housing Associations / Builders.

Commercial: Non-residential / commercial developments.

Please advise of any blocks with a sale price or reconstruction cost of over £3,000,000. A block is an individual building or structure, containing a number of units which does not rely on any other building or structure to sustain and transmit combined loads safely to the ground.

Definition: Reconstruction cost is the cost of rebuilding the unit(s) on a like for like basis removing any land costs.

LABC Warranty is able to consider applications for developments, which have already commenced.

LABC Warranty is able to consider applications for developments, which have been or currently are in administration. This service can provide administrators, insolvency practitioners or new owners of the site with a structural warranty when selling housing stock if existing warranties have been invalidated. Cover will be provided under the New Homes or Completed Housing scheme. Please ensure you complete the supplementary form.

6. Technical Information - General information regarding methods of construction and materials used

Please refer to the Technical FAQs page on the LABC Warranty website for help with this section

6.1 Attached and Existing Structures

Are any of the unit(s) attached and structurally connected to any other structure not included within this application

Yes No If No, please proceed to Question 6.2

If Yes, please refer to our technical manual (available for download via www.labcwarranty.co.uk) for guidance on new elements connecting to existing structures and ensure you comply with the following:

- A Party Wall Agreement in accordance with the Party Wall Act will be in place (will not be required if you own the adjacent property).
- The separating wall(s) between the existing and new properties meet the relevant Building Regulation requirements.
- The existing adjacent foundations and wall structures are suitable to support any proposed increased loading(s).
- The junction of the new and existing wall(s) will be constructed to ensure dampness cannot enter either of the properties.
- An effective damp proof course will be present within any shared wall(s).
- Movement joints will be incorporated to allow for limited differential movement.

6.2 Non-Traditional & Non-Standard Construction

Will any unit(s) contain any non-traditional construction methods

Yes No If No, please proceed to Section 7

If Yes, please complete the following and provide details of the name of manufacturer, system and third party accreditation etc. in the text box provided:

	Yes	No
Off-site manufactured – volumetric <i>Factory produced three-dimensional units transported to site and stacked to form dwellings e.g. pods</i>		
Off-site manufactured – panellised <i>Flat panel units built in a factory and transported to site for assembly. Open panel timber frames where connections can be viewed upon site inspection are not considered non-traditional or non-standard construction.</i>		
Off-site manufactured – hybrid <i>Volumetric units integrated with panellised systems</i>		
Off-site manufactured – sub-assemblies and components <i>Larger components that can be incorporated into either conventionally built or MMC dwellings</i>		
Non-off-site manufactured Modern Methods of Construction <i>Innovative methods of construction or materials used on-site / the use of conventional components in an innovative way</i>
